

SAIL CAMP 2009

Your child can learn to sail from the beautiful shores of the Palm Beach Sailing Club, located just north of 45th Street on Flagler Drive. Weekly camps start June 8th and go through August 14th. The weekly camp sessions are divided into morning (9:00-12:00) and afternoon (1:00-4:00). We also offer a full day option (9:00 – 4:00).

Our instructors will teach your child the basics of sailing in our fleet of Optimist dinghies, Sunfish, Capri 14's and Vanguard 15's. The emphasis will be on water safety, boat handling, capsizing recovery, crisis management, team work, sportsmanship and most importantly, FUN! Sailors will be classified by age, weight and skill level, and then placed in the appropriate group. Class sizes are limited to allow each child access to a boat. Basic swimming skills are required and each child must bring a life jacket. Camp will be held rain or shine and in the event of bad weather, basic skills, tactics and sailing related activities will be taught indoors. Learning to sail takes time so at least two sessions are recommended for the beginner.

This year we are pleased to introduce Don Lasky as our Summer Sailing Camp director. Don, formerly assistant sailing director at US Sailing Martin County, is a Certified Level 2 Instructor. We look forward to working with Don this summer

All instructors and coaches certified by the United States Sailing Association (US Sailing) complete with CPR and First Aid Certificates.

Each sailor will receive a tee shirt, a basic sailing manual and a US Sailing "Red Book" documenting their accomplishments. Sailing is a lifetime sport and many of our campers have advanced to become some of the best sailors in the country. Please fill out the registration form on the opposite side and mail or fax it to the Palm Beach Sailing Club. See you on the water!
